(1) Notify the person in charge in writing that the property has been determined to be a chronic nuisance property. The notice shall contain the following information: the street address or legal description sufficient for identification of the property; a statement that the chief of police has determined the property

to be chronic nuisance property with a concise description of the nuisance activities leading to his/her findings; and a demand that the person in charge respond within ten days to the chief of police and propose a course of action that the chief of police agrees will abate the nuisance activities giving rise to the violation.

(2) Service shall be made either personally or by first class mail, postage pre-paid, return receipt requested, addressed to the person in charge at the address of the property believed to be a chronic nuisance property, or such other place which is likely to give the person in charge notice of the determination by the chief of police.

(4) A copy of the notice shall also be posted at the property after ten days has elapsed from the service or mailing of the notice to the person in charge if the person in charge has not contacted the chief of police.

(5) The failure of any person to receive notice that the property may be a chronic nuisance property shall not invalidate or otherwise affect the proceedings under this chapter.

(6) After the notification, but prior to the commencement of legal proceedings by the city pursuant to this chapter, a person in charge stipulates with the chief of police that the person in charge will pursue a course of action the parties agree will abate the nuisance activities giving rise to the violation, the chief of police may agree to postpone legal proceedings for a period of not less than ten nor more than 30 days. If the agreed course of action does not result in the abatement of the nuisance activity or if no agreement concerning abatement is reached within 30 days, the chief of police shall request authorization for the corporation counsel to commence a legal proceeding to abate the nuisance.

(7) Concurrent with the notification procedures set forth herein, the chief of police shall send copies of the notice, as well as, any other documentation which supports legal proceedings to the corporation counsel.

(8) When a person in charge makes a response to the chief of police as required above, any conduct or statements made in connection with the furnishing of that response shall not constitute an admission that any nuisance activities have or are occurring. This subsection does not require the exclusion of any evidence which is otherwise admissible or offered for any other purpose.

(d) Abatement of nuisance. The corporation counsel of the City of Springfield, Illinois, may commence an action to abate a public nuisance as described above. Upon being satisfied by affidavits or other sworn evidence that an alleged public nuisance exists, the court may without notice or bond enter a temporary restraining order or a preliminary injunction to enjoin any defendant from maintaining such nuisance and may enter an order restraining any defendant from removing or interfering with all property used in connection with the public nuisance.

(e) Burden of proof.

(1) In an action seeking closure of a chronic nuisance property, the city shall have the initial burden of showing by a preponderance of the evidence that the property is a chronic nuisance property.

(2) It is a defense to an action seeking the closure of chronic nuisance property that the owner of the property at the time in question could not in the exercise of reasonable care or diligence, determine that the property had become a public nuisance property, or could not, in spite of the exercise of reasonable care and diligence, control the conduct leading to the findings that the property is a chronic nuisance property.

(3) In establishing the amount of any civil penalty requested, the court may consider any of the following factors and shall state those found applicable:

a. The actions or lack of action taken by the person in charge to mitigate or correct the problem at the property;

b. Whether the problem at the property was repeated or continuous;

c. The magnitude or gravity of the problem;

d. The cooperation of the person in charge with the city; or

e. The cost of the city investigating and correcting or attempting to correct the condition.

(f) Remedies.

(1) In the event a court determines property to be a chronic nuisance property, the court may order that the property be closed and secured against all use and occupancy for a period of not less than 30 days, but not more than 180, or the court may employ any other remedy deemed by it to be appropriate to abate the nuisance.

(2) In addition to the remedy provided in subsection (1) above, the court may impose upon the owner of the property a civil penalty in the amount of up to \$100 per day, payable to the City of Springfield, for each day the owner had actual knowledge that the property was a public nuisance property and permitted the property to remain a chronic nuisance property.

(3) In determining what remedy or remedies shall employ, the court may consider evidence of other conduct which has occurred on the property, including, but not limited to:

a. The disturbance of neighbors.

b. The recurrence of loud and obnoxious noises.

(g) Emergency closing procedures.

(1) In the event that it is determined that the property is an immediate threat to the public safety and welfare, the city may apply to the chief of police to be appropriate. In such an event, the notification provision set forth in subsection (c) above need not be complied with, however, the city shall make a diligent effort to notify the person in charge prior to a court hearing.

(2) In the event that the court finds the property constitutes a chronic nuisance property as defined in this section, the court may order the remedy set out above. In addition, in the event that it also finds the person in charge had knowledge of activities or conditions of the property constituting or violating this chapter and permitted the activities to occur, the court may assess a civil fine as provided above.

(3) The court may authorize the City of Springfield to physically secure the property

against use or occupancy in the event the owner fails to do so within the time specified by the court. In the event that the city is authorized to secure the property, all reasonable costs incurred by the city to affect a closure shall be made and assessed as a lien against the property. If used herein, "costs" means these costs actually incurred by the city for the physical securing of the property, as well as, tenant relocation costs.

(4) The City of Springfield Office of Public Health affecting the closure shall prepare a statement of cost and the City of Springfield shall thereafter submit said statement to the court for its review. If no objection of the statement is made within the period described by the court, a lien in said amount may be recorded against said property.

(5) Any person who is assessed the cost of closure and/or civil penalty by the court shall be personally liable for the payment thereof by the city.

(6) A tenant is entitled to their reasonable relocation costs, as those are determined by the court if, without actual notice, the tenant moved into the property, after either:

a. The owner or tenant received notice as described herein of the police chief's determination as described above; or

b. Unknown owner or other agent received notice of an action brought pursuant to this section.
